REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Excellence continued at Pate Elementary during the 2009-2010 school year. Our school excelled in meeting the needs of all students, provided quality professional development for the faculty and staff, and involved parents in the academic growth of their children. Pate's PTO plays a vital part in the success of the school. Fundraisers allowed for the purchase of new technology in the classrooms to assist the students in their everyday learning. In addition, they sponsored events to celebrate our volunteers and the many successes of our faculty and staff.

Professional development was essential to Pate teachers this school year. All teachers continued their training in best practices in literacy instruction. Writing instruction was a primary focus for the faculty and staff as well. Our professional development was enriched by teachers leading our sessions throughout the year.

Integrating the school-wide Title I project enabled the school to continue its focus on parent involvement and also provide quality instructional programs. Title I funded the position of a new parent involvement coordinator. The SuccessMaker computer lab and the Waterford Early Reading Program software were maintained. Workshops provided parents with methods to assist their children for continued success. Special events for parents included our annual "Writing Fair" to showcase student work; a "Fancy Nancy Evening of Fun" for mothers and daughters; a "Daddy/Daughter Dance" for fathers and daughters; and other family-themed nights.

The character education program was evident in the daily activities of the school. Each day the Code of Ethics was recited, character words of the week were emphasized and character-building activities for parents and students to do together were provided in the monthly newsletter. In addition, a school-wide theme of Ready, Respectful, and Responsible continued to instill in our children the qualities of good citizenship and provided an avenue for teachers to emphasize positive and appropriate school behaviors. Student excitement was evident each day as the students received accolades in various forms for exhibiting these character traits throughout the day in each area of the school.

This year we received the Red Carpet Award from the State Department of Education. Mrs. Tiffany Besch was chosen as the Teacher of the Year. Our custodians continued to receive recognition as they again earned "Clean School of the Month" for three consecutive months, and Darlington County Untied Way recognize our school as the highest contributing school in our district.

These accomplishments, along with many not listed, make Pate the distinguished school that it is. We believe that the success of Pate Elementary is the result of the support provided by our parents, community, students, and faculty. We continue to have high expectations of our students, parents and our staff as we continue our journey of excellence!
